

Junior C / C++ developer

Personal information

Name: Andrii Kolomoiets

Phone number: +38(099)-792-23-76

Email: akolomoi.21@gmail.com

Age: 19 years

Github: [akolomoi](https://github.com/akolomoi)

Summary

An enthusiastic undergraduate with a rigorous approach to learning. I have been programming for 3 years mainly for myself. Currently searching for an internship in Kyiv.

Skills

- Confident knowledge of the C programming language (ANSI standard).
- Intermediate knowledge of the C++ programming language.
- Experienced with the SDL2 framework.
- Have experience with Unix terminal.
- Have experience in writing Makefile scripts.
- Experienced with the Git version-control system.
- Integrated development environment: Vim, CLion, Visual Studio.

Personal projects

- FdF: a simple 3D height-map renderer.
- Fractal: a multithreaded fractal renderer with the ability to zoom in and out.
- Wolf3d: a Wolfeinstein-like renderer with basic textures and map files.
